

UNIVERSAL PEACE FEDERATION

Interreligious and International Federation for World Peace

United States of America

Dear Mr. Rick DellaRatta:

On Behalf of the Universal Peace Federation, we are pleased to inform you that you've have been nominated and accepted as an appointee as an Ambassador for Peace. Your appointment along with other very prestigious citizens of New York is to take place on the eve of Thanksgiving during a very special evening of music and inspiration that promises to uplift and encourage all who yearn for peace, and love America. It would give us great pleasure if you could take some time from your busy schedule to join us on **Wednesday, November 21, 2007, at 5:00 pm at the Manhattan Center's Hammerstein Ballroom, 311 West 34th Street, New York City.**

Your appointment as Ambassadors for Peace will allow you to connect with other peacemakers that will lay the base for a "Global Peace Festival", where together we can create a strong movement for world peace, providing real alternatives to violence and hatred, based on love, reconciliation, and cooperation. The "*Global Peace Festival*" will not only address the process of bringing peace in our hearts, homes, and communities, but also will explore realistic ways to bring true and lasting peace to America and the world. Our central message that, *the bond of love found in the family is the most powerful force in the universe has already made significant impact around the world*

This tour is coming at a time that finds our world filled with religious strife and tension. The "Festival" has been a positive force to bring understanding among all the major religious faiths — especially Islam, Christianity, and Judaism. Real breakthroughs in building trust between the peoples of faith in America, as well as in the Middle East, are now happening. More and more, youth are being directed away from violence, and towards the love of family.

The Reverend Dr. Sun Myung Moon and his wife Dr. Hak Ja Moon, as well as other members of their immediate family, are bringing this hopeful message of "*One Family Under God*" to America at this important time. The title of their message will be: **The Hope of All Ages is a Unified World of Peace.** As a family, they have circled the globe several times since 2005, traveling to 180 nations to convey a vision of hope and peace.

The Universal Peace Federation USA (UPF) is sponsoring this exciting American speaking tour. Co-sponsors include: The American Family Coalition (AFC), the Women's Federation for World Peace (WFWP), the Family Federation for World Peace and Unification (FFWPU), the American Clergy Leadership Conference (ACLC), and the Collegiate Association for the Research of Principle (CARP).

Please RSVP to our district office at (212) 678-2269

We are really looking forward to seeing you November 21st at the Manhattan Center.

Sincerely yours,

Ambassador Phillip V. Sanchez
