

As part of the “*Sharing information with you!*” portion of your Empowerment Tree Grant Award, the Jazz for Peace Foundation Presents:

Secrets of our Success!

Raise Maximum Sustainable Funds for your future.

1. Confirm your event with \$\$\$ already raised for you.
2. Graduate from there to the 100% to you level

Here's how:

Review our new KICKSTARTER Page ([click here!](#)) and our “Unprecedented Achievements” Presentation at www.ljjm.biz.

Use these documents to assemble a "better than average" VIP Invite Committee consisting of Board Members, Friends, Supporters, and Lovers of Great Cultural Events who want to make our world better - each of whom will email the VIP Jump Start Invitation for your event to 25-50 of their friends, family and associates and then follow up with 8-10 of them by phone or in person as detailed at this link:

www.jazzforpeace.org/maxfunds

and in this video:

Below is our *Official Board Request Form* and *Sample Jump Start Letter* used to confirm your event with funds already raised for your organization and graduate you to the *100% to you* Maximum Funds level as described in the link/video examples above.

These proven MAXFUNDS TECHNIQUES helped make this past year the greatest ever for our Empowerment Tree Grants Program! Please feel free to review this information that has already helped so many and contact our Grant Administration Department to go over these as well as all of our other sustainable fundraising techniques with you in detail so that we can make the most of this opportunity to make a difference for you.
