Dear Friends:

It is my distinct pleasure to welcome you to the Jazz for Peace Benefit Concert featuring jazz artist, Rick DellaRatta, who so generously and selflessly shares his extraordinary talent to benefit the world’s finest organizations—in this case our community’s own Nevada Youth Alliance (NYA).

Since its founding in 1996, the NYA has been a vital part of our state’s support network through its focus on at-risk youth and families in such diverse areas as health, education, juvenile justice, and mentoring. In today’s economic climate, the difficulties that these youth and their families face become even more challenging and the need for a positive environment and support system becomes even more critical.

As we continue to work together to solve the problems facing our state, it is essential for us to remain committed to those young people who represent the future of our community, our state, and our nation. The mission and programs encompassed by NYA and its community partners continue to underscore that commitment by providing the resources and opportunities that strengthen families and make it possible for at-risk youth to find success and fulfillment.

I appreciate the opportunity to show my support for this exciting concert and extend special thanks to all those whose efforts contributed to its success. Please accept my best wishes for a truly enjoyable and memorable evening.

Sincerely,

Dean Heller

Rick DellaRatta

Rick DellaRatta is now considered by many to be one of the finest Singer/Pianists performing today and one of only a handful of Jazz Artists who can make a successful musical presentation to a large audience without having to abandon the true art form of Jazz. Through his life long endeavor to help advance people to their highest potential through the understanding of Jazz as well as spreading peace worldwide through his “Jazz for Peace World Tour”, Rick DellaRatta is considered to be an innovator and a visionary.

His unique and original piano playing and composing has been compared in print to Chick Corea, Herbie Hancock, Wayne Shorter, Bill Evans, McCoy Tyner, Keith Jarrett, Joe Zawinul, Horace Silver, Oscar Peterson and Thelonious Monk while his signature vocal sound and style has been likened to Chet Baker, Billie Holiday, João Gilberto, Ivan Lins, Michael Franks and Antonio Carlos Jobim.

Dr. Billy Taylor put Rick’s impact in perspective when commenting on Rick’s “Thought Provoking CD - he said: “Rick DellaRatta is one of the people who is taking Jazz to the next level”.

“DellaRatta.....demonstrating a talent for composing, improvising and arranging.....that recalled Thelonius Monk’s flair for refreshing familiar chord progressions with harmonic twists.....an imaginative reworking that moved from the sublime to swinging and back again.”

Our Commitment To Those We Serve

Over the years NYA has focused much of its efforts and resources on mentoring, juvenile justice, family, health, education, employment and recreation. We recognized that family and community were the cornerstones of youth development. A youth cannot be successful in today's environment without the support of both family and community.

As the needs of the community have evolved, so too have the efforts of NYA. The majority of NYA resources are focused on youth and families in the more underserved populations of the community that are at or below the nation's identified poverty lines.

The NYA mission and objectives work to address the needs of a number of target populations, including:

- Youth who are overcoming major stressors in their lives – this could include poverty, discrimination, abuse, unstable home and/or academic life. NYA's mentoring programs foster positive changes in these individuals through goal setting, self discipline, skill development and leadership;
- Focusing on supporting the family unit by providing community resource education, adult mentoring and opportunities.

NYA functions as a social support system for these target populations providing them with opportunities to improve their chances of success and a more fulfilled life.

"The on-going partnership between the City of North Las Vegas and Nevada Youth Alliance has yielded significant benefits for the residents of our City. The relationship is an excellent example of public-private collaborations. The Annual Back-to-School Fair alone touches thousands of working families struggling to make ends meet by providing wellness checks, vaccinations, dental check-ups, hair cuts, a vast array of information and service referrals and the ubiquitous backpacks. We are glad to work with NYA to achieve our mutual goals." - Kathi Thomas-Gibson Outreach Coordinator Office of Housing and Neighborhood Services City of North Las Vegas
